*Flyers are available on weights between 120gsm and 350gsm and on both silk and gloss stock.*

All prices are based on the assumption that suitably prepared PDFs will be supplied, email for required specifications.

For an additional charge:

- PDF's can be prepared
- Existing material can be amended
- New material can be designed

Please email your requirements.

Conventional printing prices are great too and in some cases may be a better choice for you. Email your jobs full specification and we can advise which would be the best option .

This sample is on  
350gsm silk
